Subject: i) Systematic capturing of monkeys in Beats, Blocks, Ranges,  
Forests Divisions.  
ii) Target for capture of monkeys for financial year 2013-14.

Memo:

This is in-continuation to this office memo of even Nos. 875-929 dated 16.5.2013 and 1516-70 dated 15.6.2013 on the subject cited above vide which target for monkey capturing were fixed.

2. It has been brought to the notice of this office that CCFs (T) CFs (T), CCFs (WL), DFOs (T) & (WL) are not sure about the areas where monkeys shall be captured by the Territorial units and Wildlife units. To avoid overlapping of monkey capturing teams, it is directed that all CCFs(T), CFs (T), CCFs (WL) and DFOs (T) & (WL) should hold meetings to finalize the areas upto the Range level where Territorial units shall capture the monkeys and where the Wildlife capturing teams shall operate. These coordination meetings should be held during next week by 30<sup>th</sup> June 2013 so that monkey capturing operations are speeded up both by the Territorial and Wildlife Divisions. In this respect a close liaison by the Territorial and Wildlife DFOs should be maintained and monitored by the CCFs(T), CFs (T) & CCFs (WL) every month.
